We are looking for someone able to lead in both traditional and contemporary church music and who is also able to direct both voices and instruments. We are open to a new college graduate. We are looking for someone with skills to:

- 1) Direct choirs & ensembles,
- 2) Enhance a hymn by writing out a simple instrumental descant on Finale software,
- 3) Lead a basic rock band (drums, bass, guitar, keyboard, & singers) in Christian top-40 praise songs.

Primary focus is on worship and on creating and leading engaging and participatory experiences of congregational song. Direct worship band, choirs, ensembles, and also be able to instrumentally and vocally operate as a solo musical worship leader. Keyboard skills highly desired. Organ skills not required. We have a well-established contemporary service, are working to move some of our traditional services in a more blended direction, and want to grow more passionate and engaged in our worship. Work with the pastors in worship design. Oversee worship projection needs. Ascension is a 1000+ member, healthy, and energetic congregation. Many young families. Other program staff include a full-time youth director and a part-time Chris. Ed. director.

Qualification Highlights

- Personal faith in Jesus Christ.
- People, organizational, motivational, and leadership skills.
- Personal vocal and instrumental musical worship leading skills (keyboard skills highly desired, guitar skills considered).
- Experience in the Lutheran worship tradition.
- College degree. Training and experience in Music.
- Desire and ability to learn and grow.
